Partnership Prospectus

Each year, Safe & Sound hosts a luncheon to rally the community around a shared mission: prevent child abuse and reduce its devastating impact.

We do this because we believe that together, we can end child abuse. But it's going to take all of us. Everyone — neighbors, coaches, schools, businesses — has a critical role to play in ensuring kids are safe, families are strong, and communities are sound.

We believe every child should grow up safe, protected, and loved. We're taking a stand to make that a reality. Join us.
